Please make your payment out to  
“Our Saviour’s Lutheran Church”.  
Send your registration form and  
payment to Our Saviour’s Lutheran  
Church at the address shown below  
by May 1<sup>st</sup>.

Our Saviour’s Lutheran Church is located on the Rocky Boy’s Reservation in north central Montana. This is the home of the Chippewa Cree tribe.

This ministry started on the reservation in 1920. It is one of twenty-two American Indian-Alaska Native ministries in the ELCA.

Not only is Our Saviour’s a congregation of the ELCA, celebrating Word and Sacrament ministry, it is an integral part of the Rocky Boy community, and it serves the wider Church as a place of cross-cultural learning. Servant groups, seminary cross-cultural experiences, retreats & immersion events are invited to come to the Rocky Boy’s Reservation and learn from and about the Chippewa Cree tribe. It is our hope and prayer that this learning experience will be

carried to unexpected places in each person’s life that has this experience.

This immersion event will start on Monday evening, June 5<sup>th</sup>, and end on Friday morning, June 9<sup>th</sup>.

The registration fee of \$350 includes all meals and activities once you are at Our Saviour’s.

Your time during the immersion event will include:

- 1) anti-racism and justice training,
- 2) cultural demonstrations and participations in beadwork and drumming and dancing,
- 3) Chippewa Cree tribal governance,
- 4) the Children Exposed to Violence Project and other domestic violence issues the affect reservation life, and
- 5) the Wahkpa Chu'gn buffalo jump,
- 6) Stone Child College,
- 7) Bear Paw Battlefield, and
- 8) free time to enjoy the Wellness Center, which includes an indoor pool, weights and exercise equipment, saunas, steam rooms, and Jacuzzi,

20 hours of Continuing Education credit can be earned during this time, which includes 5 hours of anti-racism and justice training.

Participants will need to bring a sleeping bag or bedroll, personal items, Bible, notebook, pens or pencils, and walking shoes. Pillows and towels are provided.

Participants will work in small groups to help prepare meals and do clean-up.
